City Leases Lot  
For Stock Pound

Offer by W. H. Graves Accepted—  
Water Pipe Connection  
Supplies Ordered.

The city council, Monday night ac-  
cepted the offer of W. H. Graves of  
his lot just north of the creamery  
for a pound. The city is to have the  
use of the lot six months for re-  
leasing same with wire, and after that  
the rent is \$2.50 a month.

The city ordered 4000 feet of 3/4  
inch galvanized iron pipe at \$6.10 a  
hundred feet, 100 3/4-inch corporation  
socks at \$1.50 each and 100 shut off  
socks at 90 cents each. This is the  
dipe, etc., for making connections  
between the houses and water mains.  
The marshal was authorized to order  
the necessary equipment for cutting  
dipe and making connections.

The council will make a rearrange-  
ment of the fire hydrants, scattering  
them more over town.

A New York bank to which a draft  
of \$712.50 was sent, interest pay-  
ment on \$19,000 worth of water works  
bonds, had the nerve to ask the city  
to pay a commission of 1/4 of one  
cent for receiving the money. The  
matter was referred to the  
owners of the bonds, the American  
Light and Power company. It is  
one of the city's affairs if the New  
York bank won't accept the Am. L.  
& P. company's money. Bills of  
Fred Holmes for \$19.50 and C. S.  
laney for \$250 were allowed, the  
former for building sidewalk bridge  
over flume and the latter part pay-  
ment for sidewalk lumber. The bill  
of S. R. Haworth for \$17.50 was paid  
over until Mr. Haworth's return so  
it can be explained to the greater  
satisfaction and enlightenment of  
council. It is for dirt hauled on the  
street from the ditch building exca-  
vation. The claim of J. J. Weaver  
or \$15 damage to his growing crop  
in the McCormack land by patting  
a water pipe across the same was  
disallowed, the council holding  
it was a matter between Messrs.  
Weaver and McCormack.

ENTERPRISE LOSES  
GAME TO JOSEPH

(Continued from first page.)

After two were out, Billy Pidecock  
followed with a single, reaching  
second when Milan failed to stop the  
ball. French ended the inning with  
a fly to Milan.

Savage made a hit in the third,  
here was a short passed ball, R.  
Pidecock reached first on Hobbs  
umble and Martin made a hit and  
stole second. Now with all those  
things there should have been at  
least two scores, but nary a one was  
allied, bad baserunning spoiling the  
hances. In the next, Billy Bauer  
made a two bagger and stole third  
with only one out, but neither W.  
Pidecock or French could bring him  
in. Enterprise's last run was made  
in the sixth by Marvin on his own  
hit and steal of second and a wild  
leave by Akins. Bauer made a two  
base hit in that inning also but was  
left on the bag when W. Pidecock  
ground out, shutt to Akins, French  
and Hug made hits in ninth but the  
"ormer ended the game by attempt-  
ing to score from second on Hug's  
hit when there wasn't the least  
chance of making it.

Joseph made a run in the first on  
Fogelman's hit and steal, and Hall-  
garth's three bagger. Milan's home  
run added another in third, Erwin's  
two baser in the fourth, and W. Pide-  
cock's miff of May's easy fly and  
subsequent wild heave over third,  
scoring Erwin, gave Joseph its third  
score. Hallgarth's home run in the  
sixth made the total four. That's all  
and here's the figure story:

Enterprise ..... 1 1 0 0 1 0 0 0—3  
Joseph ..... 1 0 1 1 0 1 0 0—4
